Introduction

At the time of writing, it is still not clear if all restrictions will be lifted on 21st June as set out in the Government’s roadmap out of lockdown. But it does look hopeful as the vaccination programme continues at pace.

We report on things to look forward to, but do keep an eye out for the latest status regarding Covid-19 restrictions.

Village Cleanup

As part of the Keep Britain Tidy campaign:

Litter picks, hi-viz jackets, black bags, route maps and safety instructions will be available on the day. Thank you to the School for collecting around the school before the half term holiday commenced.

Village Shop and Post Office

The shop will be running ‘Sweetie Friday’ staying open until 4pm on Fridays from 11th June so that villagers can use the service and also children can get back to having their treats on Fridays again. Shop hours in June will be:

	Shop	Post Office
Mon-Thu	08:00 – 13:00	09:00 – 12:00
Fri *	08:00 – 16:00	09:00 – 12:00
Sat	08:00 – 13:00	Closed
Sun	Closed	Closed

* Except 4th June when shop will close at 13:00

More volunteers are needed mainly for serving in the shop so afternoon hours can be extended on other days too. For latest information see:

http://www.sparsholtparish.org/Our_Shop where you will find a section on Volunteering.

Local Elections

The results of the local elections held on 6th May 2021 are as follows:

Coronavirus

In England since 17 May, we have been able to socialise indoors in a group of up to 6 people or 2 households, including for overnight stays. Up to 30 people can meet outside. Pubs, theatres and other venues can open indoors. Hotels, hostels and B&Bs can open for people on holiday.

Unfortunately, a new COVID-19 variant is spreading in some parts of England, putting a question mark over the 21st June release from all restrictions.

M3 Junction 9 Consultation

Following on from the public consultation in summer 2019, Highways England have made some changes to the Proposed Scheme and would now like to know what the public think of their latest proposals. They are running a public consultation which started on Thursday 27 May 2021 and will end at 11.59 pm on Thursday 8 July 2021.

For further information about themed events and how to contribute to the consultation see:

Sparsholt

Mayor's Community Awards

Councillor Patrick Cunningham, one of Micheldever and Wonston's councillors was Mayor of Winchester for 2020-2021. He has advised us that the following people in Sparsholt were given a Mayor's award for services to the community during the pandemic.

Congratulations and sincere thanks from the community to the following for their contributions during an extremely challenging year:

- Elaine Chapman
- Keith Freeman
- John Little
- The Sparsholt Village Shop and Post Office
- Sally Wesley
- Tonia Sales

Thank you to Patrick for providing the information and for his services as Mayor during the rather strange year and especially for supporting one of the very few events that took place in Sparsholt in 2020 – The Macmillan Coffee and Cake morning.

The Queen's Green Canopy (QGC)

The Queen's Green Canopy (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to "Plant a Tree for the Jubilee."

Everyone from individuals to Scout and Girlguiding groups, villages, cities, counties, schools and corporates will be encouraged to play their part to enhance our environment by planting trees from October, when the tree planting season begins, through to the end of the Jubilee year in 2022.

With a focus on planting sustainably, the QGC will encourage planting of trees to create a legacy in honour of The Queen's leadership of the Nation, which will benefit future generations.

The Parish Council will be considering how it could contribute to this initiative, especially when so many trees have been lost locally to Ash Die Back disease.

SPARSHOLT WOMEN'S INSTITUTE

103 YEARS OF THE PATRIOTIC POTATO PATCH

Our institute in Sparsholt was the oldest in Hampshire, founded in 1917 with Mrs. Cattley as President. At the time a local landowner, Mr. Bostock, gave the ladies 20 rods of land at a rent of one shilling a year, to be used by them for the good of the community. It was known as "the Patriotic Potato Patch."

They worked hard for the war effort, producing food, making garments for the troops and supporting village residents. Ever since then members have enjoyed friendship, support, learning opportunities and outings. Several of our 26 members had belonged for over fifty years.

As the first WI in Hampshire, we celebrated our centenary in 2017. Meetings took place in the Memorial Hall at 19.30 every second Tuesday of the month. There was a friendly welcome, an interesting speaker and a cup of tea too. All were welcome to come along and see if they would like to join us.

We had an enjoyable monthly coffee get together in a local cafe and educational visits to places of interest locally. In March and October we held a fundraising jumble sale much appreciated in the village and attended by customers from far and wide who became regular visitors. What fun we had preparing our entry for the Littleton Show every year where in the past Sparsholt WI acquitted themselves well.

So all in all there was plenty to share and enjoy as members of this worthwhile organisation. For many reasons we have recently had to suspend Sparsholt WI but we hope that over the coming three years of suspension it might be formed anew to bring friendship, support and learning to a new generation of women.

Sparsholt Oil Group

Some several years ago a group of village residents set up a non-profit group to take advantage of discounts available for the purchase of domestic heating oil in bulk.

Currently we have 35 members who are contacted by me by email roughly each quarter and normally we can gather enough customers at a time for a delivery qualifying for a discount of around 10% on the usual domestic price. The oil market is

extremely volatile and someone's sneeze in the Middle East can have a considerable effect on the spot price; the oil companies therefore have to cover eventualities including political uncertainties, and the season's weather can also have some effect on demand and supply although the summer downturn in heating oil requirement is counterbalanced by increased demand for petrol and diesel for recreational motoring.

We have built up a good relationship with a local branch of a national company; their depot is in Colden Common, so their transportation costs are low and therefore advantageous to us. Also, we are privileged to enjoy priority attention in emergencies – it's quite a frequent occurrence to find electronic monitors of levels in tanks giving false readings when their batteries run low.

I currently organize the Group, but only because I'm a double customer supplying the Church as well as my domestic needs. I have absolutely no expertise in commercial activities of any kind and particularly petroleum products, so would welcome anyone with any knowledge to take over!

If not already a member and you think you'd like to join the group, do please contact me.

Flag Flying at St Stephen's Church

John Wesley Lt Cdr RD VR* RNR

As St Stephen's bunting tosser† I have to report that bunting tossing has been even more unreliable than previous years, having been discouraged by the C-word restrictions from entering the church while it is closed except currently on Sundays and Wednesdays 10:00 – 16:00.

Days when flags will be flown, restrictions allowing, can be found on the Village Events Calendar <http://www.sparsholtparish.org/Calendar>

† **Bunting Tossers** is an informal term used in the Royal Navy to describe the sailors who hoist signal flags. Although dating from the period of signalling by flags, it has survived as a general term for naval signallers.

Parish Council

Retirement of Stewart Wooles as Parish Councillor

Stewart Wooles retired as a Parish Councillor on 30th April before the start of the new Parish Council year.

Stewart was first a Councillor in 1985 for 6 years and again served a further 9 years from 2012. He has been and still is involved with many of the village activities. He was a member of the team involved with establishing the Community owned Village shop and is also Chair of the Friends of St Stephen’s church (FOSS). He also runs a Men who Munch lunch group due to restart shortly when Covid restrictions allow.

As a Parish Councillor Stewart was Deputy Chair and until towards the end of 2020 Chair of the Finance group of the Council. He also held the portfolio on Highways matters dealing with issues such as flooding at The Plough, Ham Green drainage and liaising with the County Council on such things as resurfacing of the roads and new HGV restriction signs on all the roads entering the village and Dean. When the County Council purchased a new Dragon Patcher, for filling pot holes, Stewart won a completion for naming the vehicle. His reward was a tree and rustic bench due to be installed in the Ham Green area.

One of the key highlights of Stewart’s time as Councillor was his leadership on the Anaerobic Digester planning application, where he delivered briefings to the Sparsholt community and Chairs of neighbouring Parish Councils and was interviewed on local TV and Radio. More recently Stewart has been instrumental in liaising with Hursley Parish Council in sharing their speed limit reminders signs with us in the village.

We thank Stewart for his time and valuable contribution to the Parish Council and wish him and Jane a very happy retirement.

Vacancy for a Parish Councillor

Stewart’s retirement means that there is now a vacancy for a parish councillor. If you think you may be interested, then please contact the Parish Clerk Nicky Breen. Or if you want to know what is involved then please contact Sue Wood the Chair or any other councillor. Contact details for the Clerk and all current councillors can be found on the last page of this newsletter.

Accessible Website

The Parish Council has recently improved the accessibility of the Parish Council Website. Details of the accessibility status and the use of the accessibility widget can be found in the Accessibility Statement. Follow the link on the bottom of any of the Parish Council’s webpages.

As any document hosted on the Parish Council’s website must meet accessibility criteria there have been a few changes to this newsletter. In particular to improve the flow of text and the relative contrast between text and background.

Thank you to Howard Annesley for the nature and landscape photographs used in this edition.

The Role of a Parish Clerk and Responsible Finance Officer

The administration of the Parish Council is managed by its Clerk, a paid employee appointed by the council, who acts in a combined statutory role of Proper Officer (secretary or chief executive) and Responsible Financial Officer (treasurer).

In April 2020 at the start of the first Covid19 lockdown Nicky Breen became our new Parish Clerk and Responsible Finance Officer. The Parish Council would like to thank Nicky for her support in what must have been the most difficult year to take on a new job with all training having been cancelled, very limited personal contact to assist in hand over, coaching and mentoring. We have been very pleased to see her ‘user-view’ in developing an improved finance reporting system that makes her job more effective as well as highlighting errors that needed correcting. We are very pleased to see the year end with a successful internal audit report.

Nicky has also successfully introduced and established on-line banking for the Parish Council whilst considerably reducing the time spent visiting Councillors to obtain signatures for the old Cheque Book system.

We have all learnt so much during the past year and Zoom meetings have been a key part of Nicky’s communication with all Councillors to ensure our public meetings have been focused and productive. She has quickly learnt how to maintain the website and ensure that documents are updated and uploaded. Her enthusiasm to learn and challenge the way the Parish Council works is a credit to her and we sincerely hope that in future life will be easier for all us and particularly for Nicky.

Parish Council Meeting

Subject to Covid-19 restrictions being lifted, the next Parish Council Meeting is on **Thursday 21st June 2021** at 7.30pm.

Council meetings will take place in the Memorial Hall Sparsholt. Please check the parish website for the latest situation.
